# Single Stage Gas Furnaces

Your Trane gas furnace is already going to make you more comfortable than you can imagine. Because a cozier, more comfortable home doesn't have to use a lot of energy.

## XT95 Single Stage Furnace with High Efficiency Motor

The XT95 family of furnaces is a single stage furnace that achieves a **95% AFUE**, making it extremely gas-efficient. Not only that, the XT95 utilizes the High-Efficient Multi-Speed ECM motor, which provides comfortable airflow and will also reduce the overall electrical consumption of the furnace.

## XR95 With High Efficiency Single Stage Operation

With an equal emphasis on comfort and efficiency, the Trane XR95 single stage furnace converts **95%** of fuel it uses into warm, cozy heat. Exceptional, reliable and dependable heating for your home.
